

To Whom It May Concern

5-21-07
N206SA
Bell 206BII
S/N 1013

This Bell 206 is the cleanest you will ever come across. Inside and out. There are no flaws that the naked eye can see. Many Extras.

It is my opinion that this Helicopter is worth no less then \$550,000.00 in todays market.

See equipment list for details.
